NEWSLETTER

Dear Parents/Guardians,

We thank God for His grace and protection. Students have been released today, Thursday, 15th October 2026, for the December Holiday and should report back on Thursday, 7th January 202' by 3:00 p.m. Kindly ensure punctuality. Any student reporting after the reopening day must b accompanied by a parent or guardian.

ACADEMICS

Please note that our academic programme remains unchanged. Students sit for two examinations in term 1 and term two, and one examination in term three. Kindly take note of this schedule and continue supporting your daughter's academic preparation throughout the year.

Grade 10 and Form Three students completed their end-of-term examinations on 13/10/2026. The results will be shared with you through the Zeraki platform via **SMS**. Kindly check your daughter's performance and work closely with the school to support her academic progress.

As part of our school's tradition of promoting academic excellence, the 2027 candidates will undertake an academic trip to Kenyatta University, Nairobi at the end of term 1 2027. This programme is designed to motivate the learners, expose them to the university environment, and inspire them to pursue their academic goals. Parents are kindly requested to support this important initiative by paying KSh 6,500 per student.

All Grade 11 and Form Four students come with KSh 200 each to facilitate the KNEC registration process

Kindly ensure that each student brings two reams of photocopy paper per term. The papers will be used to prepare revision materials for candidates, examinations, and projects for Grade 11 students.

Form 4 students **MUST** come with a copy of birth and KCPE Certificate on the opening day ir preparation for KCSE 2027 registration

SCHOOL FEES

Fee payment has been a major challenge this year. Kindly ensure that all outstanding fee arrears are cleared and make proper arrangements to pay school fees on time next year to avoid inconveniences. Please note that students with outstanding fee balances will not be allowed to report to school.

SCHOOL UNIFORM

Kindly ensure that your daughter has the required school uniform: two emerald-green skirts, two short-sleeved white blouses with the school badge, one long-sleeved white blouse with the school badge, and one pair of emerald-green trouser (optional). Please ensure she has an adequate supply of clean, presentable uniforms and that any worn-out uniform is replaced. Strict adherence to the school uniform policy is mandatory. Students are not allowed to wear civilian clothes, and any civilian clothing brought to school will be confiscated and will not be returned.

DISCIPLINE

The discipline of majority of our girls is commendable. As we break for the long holiday, kindly monitor how your daughters use your phones while at home. Some girls engage in inappropriate and unhealthy conversations on Instagram and other social media platforms without their parents' knowledge. Please take an active role in supervising their online activities, checking their interactions, and guiding them on responsible phone use.

Please note that milk is available for purchase at school at the prevailing market price. Students are therefore not allowed to bring milk from home.

CO-CURRICULAR ACTIVITIES

All gratitude and glory go to Almighty God for the outstanding performance of our girls in Music, Scouts, Red Cross, and Table Tennis, with all the teams earning a place at the National competitions. Our Table Tennis team went a step further to emerge the best nationally, securing Position One, and proudly represented both the school and Kenya at the East African competitions in Morogoro, Tanzania. Parents are encouraged to support their children in talent nurturing.

Ensure your daughter has a complete P.E. kit and give her the necessary support.

Happy December Holiday, Merry Christmas and Happy New Year 2027,

Elizabeth Nyangasi
